ABOUT **DR. RUSSELL LEDET**

Dr. Russell Ledet is a veteran and physician-scientist who served in the U.S. Navy for nearly a decade. He earned a Ph.D. in Molecular Oncology from NYU and began medical training at Tulane School of Medicine. He co-founded The 15 White Coats, which supports underrepresented minority students in pursuing medicine. His activism and philanthropic efforts have garnered recognition in various media outlets, including People Magazine, NBC Nightly News, The Kelly Clarkson Show, CNN, MSNBC, and Good Morning America.
